

DAHLE CRAFT TRIMMERS

TRIM RULER & CARD MAKER

Memories are meant to be cherished and now there's no easier way to preserve your keepsakes then by using a Dahle Craft Trimmer. Dahle's Trim Ruler and Card Maker will give your project the professional results you are looking for. With a cutting capacity of up to 3 sheets of paper at a time, this trimmer is perfect for creating old time photos, invitations, or just showing your creativity!

Dahle's Trim Ruler includes a 13" free floating ruler with cutting rail, three interchangeable cutting heads (straight, wavy, and perf), and a self healing cutting mat. Dahle's Card Maker includes

a 13" free floating ruler with cutting rail, three interchangeable cutting heads (straight, deckle, and scoring), and a self healing cutting mat.

These trimmers are safe, easy to use, and portable for just about any application. They can be used on any size cutting mat and are extremely versatile for larger trimming applications. They're perfect for cropping photographs, creating scrapbooks and making handmade greeting cards. Additional cutting heads can be purchased to increase your design capabilities and creativity.

CRAFT TRIMMERS

- ▶ 13" Cutting length
